Dr. Brent Sallee, PT, DPT

Dr. Brent Sallee is a SoCal native, originally from Westminster, CA. After earning an exercise biology degree from the University of California, Davis, Brent decided upon physical therapy school to help individuals maximize their lifestyles. While at Chapman University, he helped patients improve their physical abilities via well-rounded rehabilitation programs. Brent has worked and interned in orthopedic, neurologic, cardiac, general hospital, and post-surgical settings, allowing him to appreciate and internalize all aspects of physical therapy care.

Chanda Barrett, PTA

Chanda Barrett's wealth of knowledge and passion for personalized care for is well-known among Physical Therapy Network Solutions' clients and patients. A licensed assistant with degrees in both Physical Therapy and Kinesiology from Cerritos College and California State University, Fullerton, Chanda's more than 10 years of expertise encompass patients with orthopedic concerns, particularly total joint replacements.

Emily Williams, PTA

Emily Williams brings more than 15 years of experience to Physical Therapy Network Solutions. Her background in everything from nursing and home health to acute care and rehabilitation makes her an invaluable resource for patients with varied needs. Emily holds a degree from Northwest Arkansas Community College and is also a certified Pilates instructor through Body Arts and Science International.

Khiem Tran, Founder and Physical Therapist

Khiem Tran possesses more than 16 years of experience and holds both a Master's Degree in Physical Therapy and a Bachelor's Degree in Health Science from Loma Linda University. He has been a dedicated caretaker in rehabilitation environments encompassing acute care, neurology, outpatient care, hospital, and home health.
